When Losing Best Friend and Possible First Love is life Worth Living for A Westside Love Story!By helene youngAwesome Awesome book of Baby Doll, Al, Alan, and Dip. Dip ass is just crazy and had some laughable parts but jealousy and wanting a women that heart belongs to her first love and baby daddy Al will never work. Alan is crazy, strong, and funny some times but keeping secrets from his baby brother Al for his best-friend is not a good choice especially when no one gave Al the choice to become the man and father that he deserved to me. Baby Doll what can I say awesome character who kinda got struck at 18 years of age going to prison for a crime she didn't make only to come home after telling Alan to keeping pushing Al baby brother to the goal of success and not to wait on the love that they had before she went to prison caused craziness with Dip who she tried to love in her own way but what the heart want the heart tries to hold on to a first love that might end Baby doll life because of Dip no for good deeds put her with a choice that life is not worth living if she losing her best friend and her first love! It is said, "Everything in the dark comes to light..." Well, all of the skeletons are about to fall out of the closet. But, whose closet will it come from first? Because everyone has something to hide. Baby Doll abruptly left Dip's party after her argument with Al, making him look foolish in front of his family and friends. Dip was pissed and decided to confront her the next day, but his approach to the situation sets off a chain of events that will have lasting effects on everyone. An old demon resurfaces in Dip's life as a means to cope with Bay Doll running off to New York, as Alan is left to babysit a very dysfunctional Dip. Dottie feels its time to expose Baby Doll's secret because Al needs to know the truth. So, she and Emily drag Al off to New York to show him the daughter that he didn't know he had. And, when he sees Allie for the first time in church, his world is completely rocked when she calls Baby Doll, mama. It's a thin

line between love and hate. And, the rage that ignites within Al could jeopardize his feelings for the love of his life. Jeffery, Baby Doll's father calls and warns his godson, Cleopus (Dip), that he is displeased with his actions towards his daughter. Dip reassures him that his intentions are good as he professes his love for Baby Doll. But his drug habit is causing problems with his rational thinking. He feels that Al needs to disappear in order for him and Baby Doll to be happy. However, it is difficult for him to make rational decisions, and Baby Doll is growing more and more impatient with his bizarre behavior. However, a turn of events will change the tide, giving Dip the upper hand towards his happiness. Will Baby Doll be able to cope with everything weighing down on her shoulders? Or, will she decide that another fate is best?
